To: Whom It May Concern

I am writing this letter of recommendation for Emir Romo.

A couple years ago Emir approached me about mowing my grass and doing miscellaneous things that needed doing around the yard. I agreed to have him mow and take care of the yard and its one of the best decisions I have made as he continues to thrive at what he does.

Emir is self motivated, a take charge type of young man and he's very meticulous at whatever he chooses to do.

Emir is an ambitious, fair minded young man and I feel he'll go far in life at whatever career he chooses.

We'll miss him greatly!

Sincerely,

David Blum
