

Whitworth University  
Congratulations!

Dear Kamdyn,

You are admitted with honors to Whitworth University. We hope you join the Whitworth family and look forward to welcoming you to campus in the fall of 2024.

You will soon receive that big "good news" envelope and additional information about next steps in the mail. You should also continue to check your application status page for updates. If you haven't already, I invite you to schedule a campus visit <<http://www.whitworth.edu/visit>>.

Please let me know if you have any questions.

Go Pirates!

Jakob VanDerWerff
