To Whom It May Concern;

It is an honor and a pleasure to write a letter of recommendation for Gavin Christensen. I have been Gavin's music and drama/tech instructor for four years.

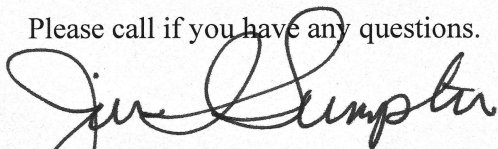

While at Sultan High School, Gavin has participated in many band activities, including Marching Band, Pep Band, Concert Band, Jazz Band and a newly formed Rock Band Ensemble. Gavin is able to play the bass guitar at a professional level and is an exceptional percussionist. His attention to practice and hard work really show. He both reads music well and has a natural talent for tempo and pitch.

Our school district purchased new stage lightening, and Gavin was once of a few students who went through the professional training in learning how to use this state-of-the-art technology.

In addition, Gavin is able to lead the way in the group setting, focused and kind to others while expecting excellence from himself and those around him.

It has been an honor to see Gavin Christensen develop as a musician and an adult. I hope that he will continue to explore all the talent he has been given. He is respected by the faculty at Sultan High School for his commitment, and we expect great things from him! He is the kind of student that teachers go into education for. Gavin has made his mark here at Sultan High School, and he will be missed. He will make a wonderful addition to any college or university that he should choose to attend.

Please call if you have any questions.
