Subject: Recommendation Letter for Maria Vazquez-Coria

It's with great pleasure that I write to recommend Maria Vazquez-Coria, a remarkable individual whose contributions have significantly impacted Washington HOSA during my tenure as State Advisor. Maria currently serves as the State President for Washington HOSA, a position she assumed after her outstanding service as the State President-Elect. Under her guidance, Washington HOSA has thrived, emerging as a beacon of student leadership in the healthcare community, boasting a membership of students statewide.

Maria's commitment to excellence and tireless work ethic set her apart. She consistently surpasses expectations, delivering work of the highest quality. For example, during our Fall Leadership Conference and State Leadership Conferences, Maria took the initiative to design curriculum and lead a workshop on leadership, empowering students to develop their skills and make meaningful contributions to their chapters. This workshop, meticulously crafted during her spare time, underscored her educational prowess and dedication to empowering her peers.

Maria is not only a leader but also a catalyst for innovation within our organization. She continually explores new avenues to amplify student voices and foster inclusivity in all our endeavors. Beyond her leadership role, Maria excels in her academic pursuits in the Advanced Sports Medicine program at her school.

Furthermore,

Maria is a lifelong learner, always seeking opportunities for personal and professional growth. I have witnessed firsthand her exceptional time management skills, enabling her to balance her leadership responsibilities with academic commitments and additional projects for Washington HOSA. Maria's passion for learning was evident when she was selected for a prestigious Community Anti-Drug Coalitions of America (CADCA) internship, where she led a project focused on drug prevention initiatives in her community.

In addition to her leadership within Washington HOSA, Maria is actively engaged in her school and community, all while maintaining an impressive academic record. She has demonstrated her dedication to service by fundraising for various causes in Sultan, Washington, and representing our state at the HOSA Washington Leadership Academy. Maria's compassion and leadership were further showcased when she volunteered as an interpreter for a student from Puerto Rico at the recent Washington Leadership Academy, highlighting her commitment to inclusivity and support.

Having worked closely with Maria, I can attest to her professionalism, dedication, and leadership qualities. She possesses a pragmatic outlook, an exemplary academic record, and an unwavering commitment to service, making her an invaluable asset to any program. I wholeheartedly endorse her for admission and am confident she will continue to excel in all her future endeavors. Should you require further information regarding her application, please do not hesitate to reach out.

Sincerely,

Andrew Goss
Washington HOSA State Advisor
