I am honored to be writing this letter of recommendation for Eli Trichler who has applied for the Sultan Education Foundation's scholarship.

I have known Eli since the start of the 2023-2024 school year, and I believe him to be an especially kind and conscientious student. Never has he been less than perfectly polite and respectful towards me. More than this, I have seen Eli go so far as to help other students change their behaviors, although he had no external reason to do so.

Eli has also maintained good grades in my class, even throughout a high-pressure basketball season. Even in moments in which Spanish becomes difficult or frustrating, Eli has always retained a positive and jovial attitude.

Overall, I believe that Eli is a hardworking student with a strong moral compass. He is a wonderful individual that makes significant positive contributions to the SHS community. I know that this scholarship goes to deserving individuals---I think that Eli Trichler is indeed deserving. If you would like to know anything more about Eli or his character, please do not hesitate to contact me through my email.

Thank you,

Annika Benoy
