

SULTAN HIGH SCHOOL

1000 Turk Drive, Sultan, WA. 98294

March 29, 2024

To the Sultan Education Foundation:

I am honored to write this letter of recommendation for Kamdyn Fajardo, a distinguished senior at Sultan High School. Kamdyn has demonstrated excellence in her academic and extra-curricular pursuits. She is on track to earn her Associates Degree through her Running Start courses at Cascadia. Kamdyn is also an active member of National Honors Society and she participates on our Building Leadership Team.

Kamdyn is highly motivated by her future goals. As early as her freshmen year, she has demonstrated a robust focus on a career in the medical field. She is passionate about her future and takes steps to include any extracurricular activities that support her goals. As part of our Sports Medicine program, Kamdyn attends athletic events in order to attend to a potentially injured student, which gives her hands-on experience. She has also earned far more than the required hours for this program, and has exceeded more than thirty hours each year since her sophomore year. She currently volunteers in our Health Science class twice a week as an assistant to the teacher, who highly values Kamdyn's leadership and contribution to her peers.

In addition to volunteering, Kamdyn has involved in a variety of extracurricular activities. She is our ASB President and serves as a student representative on our building leadership team. Prior to this year, Kamdyn was ASB Vice President and ASB Treasurer the previous year. Kamdyn is the social media manager for HOSA (Future Health Professionals) and has attended HOSA state events for three years and won in multiple categories. Kamdyn recently participated at the national level in the category *Clinical Specialty* and took third place! Kamdyn led a blood shortage campaign at our high school and did a fantastic job. She has truly demonstrated a high level of preparedness for pursuing a degree in the medical field.

Kamdyn is brilliant, inquisitive, and driven; and she has a strong work ethic. I enthusiastically recommend her for this scholarship and I welcome any further inquiries.

Sincerely,

Jenny Pederson, M.S., M.Ed.
Sultan High School Counselor
